

Prolotex™ CASUAL FIT Far Infrared Therapy T-Shirt for Men

Prolotex™ NEW *CASUAL FIT* Far Infrared T-Shirt for men is certainly confirming that Prolotex™ is living up to their reputation for producing functional, therapeutic garments.

Far Infrared Therapy Shirts are a drug free therapeutic product made with non-toxic natural “Bio-Ceramics” scientifically & medically shown to rejuvenate the tiny capillaries and blood vessels.

Prolotex™ *CASUAL FIT* Bio-Ceramic T-Shirts emit health promoting far infrared rays increasing circulation to your muscles and joints. Healthy white blood cell count is increased providing you with greater immunity, superior health and a better quality of life.

These non-binding and nonrestrictive, T-Shirts are suitable for individuals suffering from Shoulder and Neck Muscle Pain, Stomach Cramps, Fibromyalgia, Shingles, Lyme disease and Chronic Fatigue Syndrome.
